

## AMY A. MERICLE, PhD

284 Larissa Lane • Vallejo, CA 94590 • 650.515.1983 • amy\_mericle@yahoo.com

---

### EDUCATION

**University of California, San Francisco** San Francisco, California  
**Post-Doctoral Fellow**, San Francisco Treatment Research Center June 2007  
Faculty Mentor: Barbara Havassy, PhD

**University of Chicago** Chicago, Illinois  
**PhD**, Social Service Administration December 2002  
Dissertation Chair: Tom D'Aunno, PhD

**University of Michigan** Ann Arbor, Michigan  
**MSW**, Interpersonal Practice Major/Research Minor December 1994

**University of Michigan** Ann Arbor, Michigan  
**BA with Highest Distinction**, Psychology & Sociology Majors April 1993

### RESEARCH INTERESTS

Recovery from substance use and co-occurring mental disorders, integrative services delivery models, social and neighborhood factors as predictors of treatment outcomes and service use, adolescent risk behavior, measurement issues in addiction health services research.

### RESEARCH EXPERIENCE

**Alcohol Research Group (ARG) at the Public Health Institute** Emeryville, California  
*Research Scientist* February 2014-present  
Lead and collaborate on funded research; mentor project staff; develop research proposals; present findings at scientific conferences; submit and review manuscripts for peer-reviewed publication.

**Treatment Research Institute (TRI)** Philadelphia, Pennsylvania  
*Research Scientist* July 2007- January 2014  
Directed and supported funded research; supervised and mentored project coordinators; developed proposals for independently-funded research; presented findings at scientific conferences; submitted and review manuscripts for peer-reviewed publication.

**George Mason Center for Advancing Correctional Excellence** Fairfax, Virginia  
*Research Consultant* September 2009-October 2010  
Collected and analyzed data from residential re-entry centers; drafted and assisted in the development of the National Institute of Corrections monographs on "What works in residential re-entry centers?"

**Huskey & Associates** Chicago, Illinois  
*Research Consultant* September 2006-May 2007  
Collected and analyzed needs assessment data; assisted in the development of a master plan for the correctional needs of female inmates in the County of San Mateo, CA.

**UCSF Health Survey Research Unit** San Francisco, California  
*Data Analyst* February 2005-June 2007  
Assisted with the development of a health-related measures using Rasch analysis; developed cut-points for clinical diagnosis using traditional psychometric and classification and regression tree (CART) analyses; assisted in the documentation and presentation of results.

**Northwestern University Psycho-Legal Studies Program** Chicago, Illinois  
*Research Consultant* December 2001-January 2006  
Assisted with the development of data collection protocols; presented project findings; developed study-related products (e.g., manuscripts/presentations) and assisted with grant writing.

*Data Supervisor* July 1998-December 2001  
Hired, trained, and supervised data editors, data entry staff, data coordinators, archival data collectors, research assistants, programmers and database managers; developed instrumentation; coordinated and assisted in training field interviewers; organized reliability studies; assisted with product development.

*Research Assistant* April 1996-June 1998  
Served as a project liaison, interviewer, and data editor on federally-funded study of service needs and service use of juvenile detainees; developed instrumentation; assisted in grant writing and development.

**Measurement Research Associates** Chicago, Illinois  
*Consulting Data Analyst* October 2003-June 2004  
Analyzed job performance survey data using Stata and SPSS; calibrated measures of task and content performance using Winsteps (a Rasch analysis software program); developed bench mark performance scales and calculated pass-points on performance-rated exams using Facets; created tables and figures drafted reports documenting findings.

**University of Chicago** Chicago, Illinois  
*Data Analyst* November 2002-October 2003  
Analyzed rating scale data using Stata and Winsteps; assessed Differential Item Functioning (DIF) on psychological and family functioning measures for Cambodian and Vietnamese samples; presented findings from DIF analyses and helped prepare manuscripts for publication.

*Project Director* December 2002-July 2003  
Coordinated University grant-sponsored activities at the Office of the Inspector General for the Illinois Department of Children and Family Services; provided research and analytic assistance using Stata, SPSS, and Microsoft Excel; wrote reports and project proposals.

*Data Consultant* September 2002-December 2002  
Analyzed rating scale data using Stata and Winsteps; assisted in the development of a measure of therapist's satisfaction with their clients.

*Project Coordinator* December 2001-September 2002  
Collected and processed data for two research projects: the Access Community Linkage Project and a pilot study of Organizational Readiness for Change in Methadone Maintenance Treatment Clinics; assisted with the development of human subjects protocols; maintained Microsoft Access and SPSS databases, analyzed data using Stata, SPSS, and Winsteps; wrote reports and presented findings.

*Research Assistant* March-September 2001  
Viewed and coded videotaped psychotherapy sessions for a doctoral dissertation on the congruence between initial client target complaints and therapist goals.

**American Bar Association** Chicago, Illinois  
*Survey Consultant* March 2001-March 2002  
Assisted in the development of a national survey of state Lawyer Assistance Programs; processed and analyzed data using SPSS; prepared a 300-page report for the Commission of Lawyer Assistance Programs presenting the results of the survey.

**Inter-Cooperative Council** Ann Arbor, Michigan  
*History Book Coordinator* May 1993-May 1994  
Performed document analysis and annotated historical materials using a Filemaker Pro database; transcribed taped interviews; hired and supervised an intern; wrote several chapters in and coordinated the publication of book documenting the history of the University of Michigan student co-ops.

## CLINICAL EXPERIENCE

**Habitat for Humanity** San Francisco, California  
*Volunteer* September 2006-February 2007  
Assisted with site builds; interviewed potential resident partners and made recommendations about applicants' abilities to serve as resident partners.

**Chicago Street Counseling Center** Elgin, Illinois  
*Clinical Evaluator* April 1997-January 1998  
Performed sexually aggressive child and youth evaluations for court and DCFS referred youth in Cook, Lake, and Will counties; provided group therapy for sexually aggressive adolescent males.

**Alternative Behavior Treatment Centers**

*Clinical Coordinator*

Des Plaines, Illinois  
March-December 1995  
Evaluated sexually aggressive adolescents; provided individual and group therapy to sexually aggressive adolescents in residential placement as well as to their families; assisted in the functioning of the dorm and in the supervision and training of residential counselors providing milieu treatment.

**Family Awareness Center**

*Intern Therapist*

Adrian, Michigan  
January- December 1994  
Provided individual therapy to child and adolescent victims and offenders of sexual abuse; co-facilitated child, adolescent, and adult sexual abuse survivor groups as well as an adolescent offender group; assessed child victims and adult offenders of sexual abuse.

**Ozone House**

*Volunteer Counselor*

Ann Arbor, Michigan  
February 1991-May 1992  
Answered crisis calls and counseled adolescents and their families at a local youth crisis center; interviewed potential volunteers; received training to supervise volunteers on crisis lines.

**TEACHING  
INTERESTS**

Research methods, data analysis, issues in measurement, human behavior and the social environment, and special topics at the cross-section of human services, public health, and criminal justice systems.

**TEACHING  
EXPERIENCE**

**University of Chicago**

*Data Analysis for Social Policy-Teaching Assistant*

Chicago, Illinois  
September-December 2002  
Coordinated and facilitated the SPSS and Excel skills lab for two sections of a second-year, Masters-level statistics course; managed databases for course assignments; created and graded homework assignments.

*Writing Tutor*

September-December 2002  
Reviewed and edited papers and written assignments for Master's level social work students; provided feedback and instruction on writing and the organization of research papers.

*Statistics Tutor*

January-March 2001  
Reviewed basic statistical concepts, assisted in the completion of homework assignments, and helped in the acquisition of SPSS and Excel skills.

*Statistics for Social Policy-Teaching Assistant*

September-December 2000  
Coordinated and facilitated the SPSS and Excel skills lab for three sections of a second-year, Masters-level statistics course; graded homework assignments.

*Human Behavior and the Social Environment-Teaching Assistant*

September-December 1999  
Assisted in teaching a course on human behavior and the social environment to first-year, Masters level students, graded assignments and exams, held review sessions and delivered a lecture on special topics in adolescent development.
