

CURRICULUM VITAE

6/24/2025

NAME: Cheryl J. Stephens Cherpitel

BUSINESS ADDRESS: Public Health Institute
Alcohol Research Group
6475 Christie Avenue, Suite 400
Emeryville, Ca. 94608
Telephone: (510) 597-3453
Fax: (510) 597-6459
E-mail: ccherpitel@arg.org

HOME ADDRESS: 28 Oakridge Lane
Orinda, CA 94563
(925) 254-3535

EDUCATION:

<u>Institution</u>	<u>Dates</u>	<u>Degree</u>
University of California School of Public Health Berkeley, CA	1980-84	Dr. P.H., Epidemiology; minor in Biostatistics May 1984
University of California School of Public Health Berkeley, CA	1971-72	M.P.H., Public Health Nursing Administration September 1972
University of California School of Nursing San Francisco, CA	1965-68	B.S., Nursing, with honors Public Health Nursing Certificate Designated Special Services Credential with a Specialization in Health, June 1968
University of California Berkeley, CA	1963-65	

PROFESSIONAL EXPERIENCE:

<u>Year</u>	<u>Title</u>	<u>Institution</u>
2011-2024	Director	World Health Organization Collaborating Center on Alcohol Epidemiology and Injury
2009-2019	Adjunct Professor	University of Victoria School of Nursing Victoria, British Columbia

2009-2017	Senior Scientist	Centre for Addiction Research of BC University of Victoria Victoria, British Columbia
2003-2016	Adjunct Professor Division of Epidemiology	University of California School of Public Health Berkeley, California
8/99-2015	Associate Director	National Alcohol Research Center Alcohol Research Group Emeryville, California
8/91-6/03	Lecturer, Division of Public Health Biology and Epidemiology	University of California School of Public Health Berkeley, California
8/90-Present	Senior Scientist	Alcohol Research Group Emeryville, California
3/89-6/89	Lecturer Epidemiology	California State University Department of Biology Hayward, California
8/87-8/90	Scientist	Alcohol Research Group
1/85-6/87	Lecturer Epidemiology	San Francisco State University Department of Health Education San Francisco, California
8/84-8/87	Associate Scientist	Alcohol Research Group
1/79-9/80	Director Continuing Ed in Nursing	Mississippi University for Women School of Nursing Columbus, Mississippi
9/78-1/79	Lecturer Nursing	California State University Department of Nursing Hayward, California
10/76-3/78	Continuing Ed Specialist/Community Health Nursing Adjunct Lecturer Dept. of Mental Health & Community Nursing	University of California School of Nursing San Francisco, California
1/76-7/76	Acting Director Continuing Ed in Nursing	Eastern Kentucky University College of Nursing Richmond, Kentucky

4/75-10/75	Nursing Instructor Surgical Techs	Area Vocational School Somerset, Kentucky
1/74-1/75	Assistant Professor of Nursing	University of Kentucky Somerset Community College Somerset, Kentucky
9/73-1/74	Public Health Nurse/ School Nurse Store Front Project Nurse	Madison City Health Department Madison, Wisconsin
6/69-3/73	Public Health Nurse/ School Nurse	Berkeley City Health Department Berkeley, California
9/68-6/69	School Public Health Nurse	Richmond Unified School District Richmond, California
6/68-9/68	Staff Nurse OB/GYN	Alta Bates Hospital Berkeley, California

HONORS:

2024	Inaugural Highly Ranked Scholar by ScholarGPS, in top 5% of all scholars worldwide, ranking 2 nd in Emergency Department and 13 th in Alcoholism
2024	University of California San Francisco Alumni Discovery Award
2023	Jellinek Memorial Award in epidemiology and population studies
2022	Expertscape ranked top 1% of scholars writing about Alcohol-Related Problems over the past 10 years globally
1966-67	University Scholarship University of California

GRANT AWARDS:

2019-2024	Principal Investigator on Sub-Contract, Cedars-Sinai Medical Center/UCLA School of Public Health A Case-Crossover ER Study Design to Inform Tailored Interventions to Prevent Disease Progress in Alcoholic Pancreatitis U.S. Department of Defense grant PR182623 (\$839,604 Total Direct Costs)
2017-2020	Principal Investigator on Sub-Contract, Oregon Health and Science University Risk of Motor Vehicle Crashes from Cannabis Use in Emergency Department Patients Insurance Institute for Highway Safety Contract (\$225,613 Total Direct Costs)

2015-2017	Co-Principal Investigator on Sub-Contract A Multi-lingual Alcohol Measure Catalog/Administration Tool NIAAA Contract HHSN 2752014000012C (\$182,851 Total Direct Costs)
2014-2020	Principal Investigator Cross-National Analysis of Alcohol and Injury NIAAA Grant 5 R01 AA013750 (\$1,368,038 Total Direct Costs)
2012-2016	Co- Principal Investigator Alcohol, Energy Drinks and Other Stimulants: an Emergency Room Study Assessing the Effects of Gender, Context and Substance Use on Injury Risk Canadian Institutes of Health Research (Grant 276017) (\$522,556 Total Direct Costs)
2011-2012	Principal Investigator Epidemiology of Drinking and Disorders in Border vs. Non-Border Contexts Administrative Supplement NIAAA Grant 1 RO1 AA018365 (\$52,700 Total Direct Costs)
2010-2013	Principal Investigator Screening and Brief Intervention in the ED among Mexican-origin Young Adults NIAAA Grant 1 RO1 AA018119 (\$1,653,142 Total Direct Costs)
2009-2014	Principal Investigator Epidemiology of Drinking and Disorders in Border vs. Non-Border Contexts NIAAA Grant 1 RO1 AA0183654 (\$2,094,605 Total Direct Costs)
2009	Principal Investigator Cross-National Analysis of Alcohol and Injury Administrative Supplement NIAAA Grant 3 R01 AA0137504 (\$54,855 Total Direct Costs)
2008-2012	Principal Investigator Cross-National Analysis of Alcohol and Injury NIAAA Grant 2 R01 AA013750 (\$1,087,265 Total Direct Costs)
2007-2008	Principal Investigator Cross-National Analysis of Alcohol and Injury NIAAA Grant 2 R56 AA013750 (\$202,500 Total Direct Costs)
2007-2009	Principal Investigator Brief Intervention in the ER in Poland NIAAA Grant 1 R21 AA016081 (\$271,895 Total Direct Costs)

2005-2006	Principal Investigator Alcohol and Injuries: New Knowledge from ER Studies NIAAA Grant 1 R13 AA015484 (\$101, 006 Total Direct Costs)
2002-2005	Principal Investigator Cross-National Analysis of Alcohol and Injury NIAAA Grant 1 RO1 AA013750 (\$350,000 Total Direct Costs)
2001-2003	Principal Investigator Alcohol and Injury in Emergency Rooms in Poland NIAAA Grant 1 R21 AA12889 (\$300,000 Total Direct Costs)
2000-2005	National Alcohol Research Center Grant: Epidemiology of Alcohol Problems (NIAAA Grant AA 05595) Principal Investigator: Comparative Cross-National ER Analysis of Alcohol and Casualty (\$606,207 Total Direct Costs)
1997-2000	Principal Investigator ER Screening for Alcohol Problems in the U.S. and Mexico NIAAA Grant 1 R21 AA11503 (\$191,171 Total Direct Costs)
1995-2000	National Alcohol Research Center Grant: Epidemiology of Alcohol Problems (NIAAA Grant AA 05595) Principal Investigator: Alcohol and Primary Care Studies (\$244,013 Total Direct Costs)
1995-1998	Principal Investigator Screening for Alcohol Problems in the Emergency Room NIAAA Grant 2 RO1 AA 09271 (\$326,814 Total Direct Costs) Supplemental Award for ER study in Mexico City (\$9,997)
1992-1995	Principal Investigator Screening for Alcohol Problems in the Emergency Room NIAAA Grant 1 RO1 AA 09271 (\$136,796 Total Direct Costs)
1990-1995	National Alcohol Research Center Grant: Epidemiology of Alcohol Problems (NIAAA Grant AA 05595) Principal Investigator: Alcohol and Casualty Studies (\$310,125 Total Direct Costs) Alcohol and Primary Care Studies (\$192, 690 Total Direct Costs)
1988-1990	Principal Investigator Alcohol and Emergency Room Admissions in Kaiser Hospitals NIAAA Grant 5 RO1 AA 07102 (\$350,610 Total Direct Costs) Supplemental award for ER Study in Trieste, Italy (\$10,000)
1988	Principal Investigator The End of U.S. Prohibition: A Case Study of Mississippi Medical Research Institute of San Francisco (\$1,000 Direct Costs)

1986-1989	Principal Investigator Alcohol Consumption Injuries and Medical Problems: A Study of Emergency Room Populations U.S.-Spain Joint Committee for Scientific and Technological Research Grant CCA-8510/040 (\$147,091 Total Direct Costs)
1986	Principal Investigator Infant Outcome Study in Mississippi The Health Promotion Foundation (\$2,500 Total Direct Costs)
1985-1989	National Alcohol Research Center Grant: Epidemiology of Alcohol Problems (NIAAA Grant AA 05595) Principal Investigator: Alcohol and Casualty Studies Alcohol and Primary Care Studies
1984-1985	National Alcohol Research Center Grant: Epidemiology of Alcohol Problems (NIAAA Grant AA 05595) Principal Investigator: Alcohol and Casualty Studies
1980-1984	National Research Service Award Fellowship U.S. Public Health Service 5 F31 NU-05505

PROFESSIONAL AFFILIATIONS:

American Public Health Association
 Section Council: Alcohol, Tobacco and Other Drugs Section, 2012-2014
 Governing Council: Alcohol, Tobacco & Other Drug Section, 2002-2004
 Section Council: Alcohol, Tobacco and Other Drugs Section, 1994-1997
 Martha May Eliot Award Committee: Maternal and Child Health Section, 1994-1996
 Program Chair: Alcohol, Tobacco and Other Drugs Section, 1990, 1991

Kettil Bruun Society for Social and Epidemiologic Research on Alcohol

Research Society on Alcoholism
 Travel Awards Committee, 2017-present
 Program Committee, 2009
 Nominations Committee, 2008-2009
 Chair, Membership Committee, 2003-2006
 Membership Committee, 1999-2003

College on Problems of Drug Dependence

International Network on Brief Interventions for Alcohol Problems
 Conflict of Interest Committee, 2016

PROFESSIONAL ACTIVITIES:

2012	International Editorial Reviewer Board, <u>Clinical Nursing Studies</u>
2009	Grant reviewer, Health Research Board, Dublin, Ireland
2009	Grant reviewer, Canadian Institute of Health Research, Ottawa, Ontario
2007-present	Editorial Board, <u>Substance Abuse: Research and Treatment</u>
2006	Ad Hoc Expert, Extramural Advisory Board, Epidemiology and Prevention, NIAAA
2006-present	Advisory Editorial Board, <u>Alkoholizm i Narkomania (Alcohol and Drug Abuse)</u>
2004-2008	National Advisory Council, National Institute on Alcohol Abuse and Alcoholism
2003-present	Editorial Board, <u>Adicciones (Addictions)</u>
2001-2003	Editorial Board, <u>Journal of Studies on Alcohol</u>
2000-2006	Editor, <u>The Center ARGonaut</u>
2000-present	International Committee, <u>Salud Mental (Mental Health)</u> , National Council of Science and Technology (CONACYT), Mexico
1996-present	Editorial Board, <u>Journal of Addiction Nursing</u>
1993-1997	Initial Review Group Committee on Psycho Social Research, National Institute on Alcohol Abuse and Alcoholism, Clinical and Treatment Subcommittee.
1993-1995	Editorial Board, <u>California Pacific Quarterly</u>
Ad Hoc Grant Reviewer	National Institute of Alcohol Abuse and Alcoholism, National Alcohol Research Center Review Committee

NIDA Special Review Committee

American Institute of Biological Sciences, Office of Naval Research

Netherlands Programme on Addiction Research and Development

Initial Review Group Committee on Psycho social Research, National Institute on Alcohol Abuse and Alcoholism, Clinical and Treatment Subcommittee

Robert Wood Johnson Foundation Substance Abuse Policy Research Program

Addiction Research Foundation, Ontario, Canada

Ad Hoc Journal Reviewer

INVITED PRESENTATIONS:

International Network on Brief Interventions for Alcohol and Other Drugs plenary session,
September 28-29, 2023, Greensboro, NC

University of Texas El Paso Webinar on Alcohol Epidemiology and Biological Measurements in the
Context of the Texas-Mexico Border, March 11, 2021.

Pan American Health Organization Webinar on Road Traffic Injuries, August 12, 2020.

Pan American Health Organization, Technical Advisory Group on Alcohol Policy, Washington DC,
November 29 – December 1, 2017.

World Health Organization Forum on Alcohol, Drugs and Addictive Behaviors, Geneva,
Switzerland, June 28-30, 2017.

Global Institute of Health and Governance, Sahmyook University, Seoul, Korea, December 4, 2016.

University of Auckland School of Population Health and Centre for Addiction Research,
Auckland, New Zealand, December 3, 2015.

World Health Organization meeting on Substance Use and Suicide in the International Context,
Geneva, Switzerland, October 19-21, 2015.

Centre for Addictions Research of BC and Island Health, Victoria, BC, October 24, 2014.

Pan American Network on Alcohol and Public Health, Cartagena, Columbia, April 9-11, 2014.

Pan American Health Association, Mexico City, December 10, 2013.

Pan American Network on Alcohol and Public Health, Mexico City, Mexico, August 21-23, 2012.

WHO National Counterparts for Alcohol Policy and AMPHORA Expert Joint Meeting, Madrid,
Spain, June 16, 2010

World Health Organization, Geneva, Switzerland, June 1, 2010

International Conference on Alcohol, Injury, and Prevention, Sahmyook University, Seoul, Korea, October 2009.

International Society of Addiction Medicine, Calgary, Canada, September 2009.

University of Victoria and the Vancouver Island Health Authority Addiction Medicine for Family Physicians and Psychiatrists Annual Conference, Victoria, BC, Canada - March 2009.

University of Victoria, Centre for Addiction Research of British Columbia, Victoria, BC, Canada, November 2008.

NIAAA National Advisory Council, Washington D.C., June 2008.

Eight Annual Guze Symposium on Alcoholism -February 2008

Drew University of Medicine and Science, National Collaborative Minority Alcohol Research Center, Los Angeles, CA - April 1999.

Brown University, Center for Alcohol and Addiction Studies, Providence, RI - February 1999.

Rhode Island Hospital, Providence, RI - February 1999.

Addiction Research Foundation, Toronto, Ontario, Canada - November 1997.

Mexican Institute of Psychiatry, Mexico City, Mexico - April 1996.

Johns Hopkins University, School of Public Health and Hygiene, Baltimore, MD - October 1995.

University of Tennessee, Knoxville, TN - September 1995.

CONSULTATION:

2022-27	Alcohol Use Disorder Treatment Simulation: Modeling Treatment Impacts on Alcohol-related Disparities in the US, Research Triangle Institute, Research Triangle Park, North Carolina
2023	Global Consultation with Professional Associations and Academia on Implementation of the Global Alcohol Action Plan (GAAP) 2022-2030, WHO Headquarters, January 18-20, 2023, Geneva, Switzerland
2020	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, March 5-6, Paramaribo, Suriname
2019	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, November 20-21, Mar del Plata, Argentina

- 2019 International Expert Advisory Panel, Health Research Board, October 9-11, Dublin Ireland
- 2019 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, April 29-30, Panama City, Panama
- 2018 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, October 4-5, Lima, Peru.
- 2018 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, September 11-12, Santo Domingo, Dominican Republic.
- 2018 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, April 5-6, Kingston, Jamaica.
- 2018 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol, Drug Use and Road Traffic Injuries in Emergency Departments, March 21-22, Santiago, Chile.
- 2017 Pan American Health Organization Expert Advisor, Technical Advisor Group on Alcohol Policy, Washington DC, November 29-December 1.
- 2016 Chiang Mai University, Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Thailand, May 25-27, Chiang Mai, Thailand.
- 2015 University of Auckland and Auckland city Hospital, Study of Alcohol and Injury at Auckland City Hospital, December 2-3, Auckland, New Zealand.
- 2015 WHO meeting on Substance Use and Suicide in the International Context, October 19-21, 2015, Geneva, Switzerland.
- 2015 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room, August 26-28, Port of Spain, Trinidad and Scarborough, Tobago.
- 2013 Heads of the WHO Collaborating Centres working in the area of alcohol and drugs, March 21, Geneva, Switzerland.
- 2013 WHO Technical Advisory Group on Alcohol Epidemiology, March 18-20, Geneva, Switzerland.
- 2012 Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room, November 4-5, San Jose, Costa Rica.

2011	WHO-PAHO Sustainable Development and Environmental Health Area's (SDE's) Collaborating Centers and National Reference Institutions meeting, Research Triangle, NC, October 24-26.
2011	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America and the Caribbean, June 15-17, Santo Domingo, Dominican Republic.
2011	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America, and the Caribbean, January 24-25, Guatemala City, Guatemala.
2010	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America, and the Caribbean, June 21-22, Panama City, Panama.
2010	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America, and the Caribbean, May 18-19, Georgetown, Guyana.
2010	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America and the Caribbean, May 6-7, 2010, Managua, Nicaragua.
2009	Science and Service Technical Expert Panel, Center for Substance Abuse Prevention, Center for the Application of Prevention Technologies (CAPT).
2009	Pan American Health Organization, Expert Advisor for Strategic Planning Meeting, November 16-18, Sao Paulo, Brazil.
2009	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America and the Caribbean, Oct. 8-9, Santo Domingo, Dominican Republic.
2008	Sahmyook University, Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Korea, Aug. 21-22, Seoul, Korea.
2008	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study on Alcohol and Injury in the Emergency Room in Latin America, planning meeting, Aug. 5-7, Panama City, Panama.
2008	Pan American Health Organization Expert Advisor on a Multi-Site Collaborative Study of Brief Intervention in the Emergency Department in Latin America, Washington DC.
2007	NIAAA, BSN Alcohol Curriculum, <i>A Nursing Education Model for the Prevention and Treatment of Alcohol Use Disorders</i> , Health consequences: Alcohol and Injury.
2005-2006	National Opinion Research Center, "2005 Prevalence Study of Problem Gambling in California" (P.I. Rachel Volberg) State of California Alcohol and Drug Programs Office of Problem Gambling RFP No. ADP-RFP-04-11

2005-2008	Centre for Addictions Research of BC, University of Victoria, “Cross-substance Patterns of Use, Consequences and Policy Responses”, (P.I. Tim Stockwell).
2003-2006	National Institute of Psychiatry, Mexico City, “The relationship between alcohol and injuries in the international context.” (P.I. G. Borges) Concejo Nacional de Ciencia y Tecnologia (CONACyT) - National Council for Science & Technology
2002-2006	Vermont Alcohol Research Center Addiction Research Institute, “Drugs, Alcohol and Driving: Prevalence and Crash Risks” (P.I. M.W. Perrine) IPO1 DA 11319-01
2001	World Health Organization Consultant, Multi-site Collaborative Study on Alcohol and Injuries, Mexico City, Mexico.
2001	World Health Organization Consultant, Multi-site Collaborative Study on Alcohol and Injuries, São Paulo, Brazil.
2001	World Health Organization Consultant, Multi-site Collaborative Study on Alcohol and Injuries, Plata del Mar, Argentina.
2000	World Health Organization Expert Advisor on Establishing and Monitoring Alcohol’s Involvement in Casualties, Prague, Czech Republic.
1997-2003	Charles R. Drew University of Medicine and Science, National Collaborative Minority Alcohol Research Center, National Institute on Alcohol Abuse and Alcoholism.
1996	Center For Substance Abuse Prevention, “Preventing” Alcohol Related Injury and Violence: Building a Coordinated Policy Research Agenda.
1995-1996	University of Tennessee Community Health Research Group, Knoxville, TN. State Demands and Needs Assessment Studies, Alcohol and Other Drugs (RFP# CSAT-94-0022).
1993-1995	Pacific Institute of Research and Evaluation, Bethesda, MD. Injuries from Alcohol: Incidence and Cost (NIAAA R01 AA09812).
1990-1993	Prevention Research Center, Berkeley, California. Preventing Alcohol Trauma: A Community Trial (NIAAA 5R01 AA09146). Environmental Approaches to Prevention (Alcohol Research Center Grant 5P50 AA06282).
1989	NIAAA consultant for emergency study, Trieste, Italy.
1986	NIAAA consultant for emergency room studies, Mexico City.
1984-1988	Alameda County Health Care Services Agency, Oakland, Ca. Epidemiological and statistical consultation for infant mortality data.

CONFERENCE PRESENTATIONS:

“Brief intervention in emergency services and non-traditional medical settings: the past and future of BI”, plenary session, International Network on Brief Interventions for Alcohol and Other Drugs, Greensboro, NC, September 28-29, 2023.

“Racial/ethnic disparities in risk of alcohol-related injury and perceived DUI from hours of exposure to elevated blood alcohol concentration,” Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Warsaw, Poland, May 30-June 3, 2022.

“PAHO/WHO collaborating centre on alcohol epidemiology and injury,” Engaging our Partners to Achieve the SDGs Together, PAHO/WHO Collaborating Centres Regional Webinar, April 19-20, 2021.

“The effect of cross-border mobility on alcohol and drug use among Mexican-American residents living at the U.S.-Mexico border,” University of Texas El Paso Webinar on Alcohol Epidemiology and Biological Measurements in the Context of the Texas-Mexico Border, March 11, 2021.

“Road traffic injuries and substance use among emergency department patients in two countries,” Pan American Health Organization Webinar on Road Traffic Injuries, August 12, 2020.

“Dose response relative risk of injury from acute alcohol consumption in 28 countries: are women at higher risk than men?” American Public Health Association Annual Meeting, Philadelphia, PA, November 2-6, 2019.

“Dose-response relationship of alcohol and injury cause: effects of country-level drinking pattern and alcohol policy,” Research Society on Alcoholism, Minneapolis, MN, June 22-26, 2019.

“Risk of alcohol-related injury: does societal drinking context make a difference?” Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Utrecht, The Netherlands, June 3-7, 2019.

“Recall bias across seven days in self-reported alcohol consumption prior to injury among emergency department patients,” American Public Health Association Annual Meeting, San Diego, CA, Nov. 11-14, 2018.

“Single episode of harmful alcohol use resulting in injury: a missed opportunity for brief intervention in the emergency department,” International Network on Brief Interventions for Alcohol and Other Drugs, Santiago, Chile, September 27-28, 2018.

“Multi-level analysis of alcohol-related injury, societal drinking pattern and alcohol control policy: emergency room data from 28 countries”, Research Society on Alcoholism, San Diego, CA, June 16-20, 2018.

“Age at immigration and substance use and problems among males and females at the U.S.-Mexico border”, American Public Health Association Annual Meeting, Atlanta, GA, Nov. 4-8, 2017

“Single episode of harmful alcohol use resulting in injury: a missed diagnosis in the emergency department?” WHO Forum on Alcohol, Drugs and Addictive Behaviors, Geneva, Switzerland, June 26-28, 2017.

“Age at immigration and alcohol and drug use and problems on the U.S.-Mexico border: the effect of border context”, Research Society on Alcoholism Annual Meeting, Denver, Colorado, June 24-28, 2017.

“Risk of injury from alcohol, marijuana and other drug use among emergency department patients”, Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Sheffield, England, June 5-9, 2017.

“Alcohol and injuries: Emergency room studies in an international perspective”, 1st Global Institute of Health and Governance, Seoul, Korea, December 4, 2016.

“Risk of injury from alcohol, marijuana and other drugs: A case-crossover analysis of emergency department data”, American Public Health Association Annual Meeting, Denver, October 29 – November 2, 2016.

“Risk of violence-related injury and burden to society in the Latin American and Caribbean region”, 12th World Conference on Injury Prevention and Safety Promotion, Tampere, Finland, September 18-21, 2016.

“Alcohol and injuries: emergency room studies in an international perspective”, School of Population Health and Centre for Addiction Research, University of Auckland, Auckland, New Zealand, December 3, 2015.

“The relationship of usual volume and heavy consumption to risk of alcohol-related injury: racial/ethnic disparities in four U.S. National Alcohol Surveys,” American Public Health Association Annual Meeting, Chicago, October 31 – November 4, 2015.

“International collaborations: the WHO collaborative study on alcohol and injuries”, Substance Use and Suicide in the International Context, World Health Organization, Geneva, Switzerland, October 19-21, 2015.

“Does brief intervention work for heavy episodic drinking? A comparison of two cultures,” International Network on Brief Interventions for Alcohol and Other Drugs Annual Meeting, Atlanta, GA, September 24-25, 2015.

“The effect of cross-border mobility on alcohol and drug use among Mexican-American residents living at the U.S.-Mexico border,” Research Society on Alcoholism Annual Meeting, San Antonio, TX, June 21- 25, 2015.

“Alcohol attributable fraction for injury morbidity from the dose-response relationship of acute alcohol consumption: emergency department data from 18 countries,” Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Munich, Germany, June 1-5, 2015.

“Drinking patterns and alcohol-related injury in the emergency department in three Asian countries,” American Public Health Association Annual Meeting, New Orleans, November 15-19, 2014.

“Border effects on alcohol use disorders on both sides of the U.S.- Mexico border,” American Public Health Association Annual Meeting, New Orleans, November 15-19, 2014.

“Alcohol and injuries: emergency room studies in an international perspective”, Centre for Addictions Research of BC and Island Health, Victoria, BC, October 24, 2014.

“Screening and brief intervention (SBI) in the emergency department among Mexican-origin young adults: 12-month outcomes of a randomized controlled clinical trial”, International Network on Brief Interventions for Alcohol and Other Drugs Annual Meeting, Warsaw, Poland, September 18-19, 2014.

“Individual and societal-level volume and pattern of drinking, alcohol policy and risk of injury: ER data from the Americas”, Alcohol Policy Research: Putting together a global evidence base. Thematic meeting

of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Fitzroy, Melbourne, Australia, September 8-11, 2014.

“Performance of screening instruments for alcohol use disorders in emergency department patients in Argentina,” Annual Alcohol Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Maastricht, Holland, May 29 - June 2, 2006.

“The effect of alcohol consumption on ER service utilization among injury patients: a cross-national emergency room study,” American Public Health Association Annual Meeting, Philadelphia, PA, December 10-14, 2005.

“Cross-cultural performance of the RAPS4/RAPS4-QF for tolerance and heavy drinking: Data from 13 countries,” American Public Health Association Annual Meeting, Philadelphia, PA, December 10-14, 2005.

“The Emergency Room Collaborative Alcohol Analysis Project (ERCAAP)”, International Conference on Alcohol and Injury: New Knowledge from Emergency Room Studies, National Institute on Alcohol and Alcoholism, co-sponsored by the World Health Organization and the Centers for Disease Control and Prevention, Berkeley, Ca, October 3-6, 2005.

“Assessing the validity of self-reported drinking prior to injury compared to a physiological measure in a cross-national emergency room study,” Research Society on Alcoholism, Annual meeting, Santa Barbara, CA, June 25-30, 2005.

“Multi-level analysis of causal attribution of injury to alcohol: Data from two international emergency room projects,” Research Society on Alcoholism, Annual meeting, Santa Barbara, CA, June 25-30, 2005.

“Risk of injury: A case-crossover analysis of emergency service patients in Poland,” Annual Alcohol Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Riverside, CA, May 30-June 3, 2005.

“Co-morbidity for alcohol problems and drug use in Mexican origin groups: Comparison of data from national alcohol surveys in the U.S. and Mexico,” American Public Health Association Annual Meeting, Washington, DC, November 6-10, 2004.

“Brief intervention in the ER, “ Inaugural Conference of the International Network on Brief Intervention for Alcohol Problems (INEBRIA), Barcelona, Spain, October 20-21, 2004.

“Collaborative research with Mexico on alcohol and injury in the ER,” International Pre-conference of the National Hispanic Science Network on Drug Abuse, San Antonio, TX, October 11, 2004.

“Multi-level analysis of alcohol-related injury among emergency room patients: A cross-national study,” Research Society on Alcoholism, Annual meeting, Vancouver, Canada, June 26-30, 2004.

“Clinical assessment compared to breathalyzer readings in the ER: Concordance of ICD-10 Y90 and Y91 codes,” Research Society on Alcoholism, Annual meeting, Vancouver, Canada, June 26-30, 2004.

“Screening for alcohol problems in two emergency service samples in Poland: Comparison of the RAPS4, CAGE and AUDIT,” Annual Alcohol Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Helsinki, Finland, May 31-June 4, 2004.

“Alcohol and Injury: Multi-level Analysis from the Emergency Room Collaborative Alcohol Analysis Project (ERCAAP),” American Public Health Association Annual Meeting, San Francisco, CA, November 15–19, 2003.

“Alcohol and injury: a risk function analysis from ERCAAP,” American Public Health Association Annual Meeting, San Francisco, CA, November 15–19, 2003.

“Attributable risk of alcohol and injury: a cross-national meta-analysis from the Emergency Room Collaborative Alcohol Analysis Project,” American Public Health Association Annual Meeting, San Francisco, CA, November 15-19, 2003.

“Causal attribution of alcohol and injury: a cross-national meta-analysis from ERCAAP,” Research Society on Alcoholism, Annual meeting, Fort Lauderdale, FL, June 21–26, 2003.

“Alcohol-related injury in the ER: a cross-national meta-analysis from the Emergency Room Collaborative Alcohol Analysis Project (ERCAAP),” Research Society on Alcoholism, Annual meeting, Fort Lauderdale, FL, June 21–26, 2003.

“A cross-national meta-analysis of alcohol and injury: data from the Emergency Room Collaborative Alcohol Analysis Project (ERCAAP),” Research Society on Alcoholism, Annual meeting, Fort Lauderdale, FL, June 21–26, 2003.

“Drinking patterns and problems in emergency services in Poland,” Annual Alcohol Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Krakow, Poland, June 2–6, 2003.

“Screening for alcohol problems: comparison of the AUDIT, RAPS4, and RAPS4-QF among Black and Hispanic patients in an inner city emergency department,” Annual Alcohol Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Krakow, Poland, June 2–6, 2003.

“Changes in Substance use Associated with Emergency Room and Primary Care Services Utilization in the United States General Population: 1995 - 2000,” American Public Health Association Annual Meeting, Philadelphia, PA, November 9-13, 2002.

“Brief Screening Instruments for Alcohol Problems in the ER,” Research Society on Alcoholism/International Society for Biomedical Research on Alcoholism Meeting, San Francisco, CA, June 28-July 3, 2002.

“Screening for Alcohol Problems in the Emergency Room”, Identification of Alcohol Problems and Brief Intervention: A Transatlantic Exchange Workshop, 9th International Conference on Emergency Medicine, Edinburgh, Scotland, June 17-21, 2002.

“Accuracy of Self-Reported Vehicular Offenses and Blood Alcohol Level among Whites and Mexican Americans in DUI Treatment Programs,” Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Paris, France, June 3-7, 2002.

“Acute Alcohol Use and Suicidal Behavior,” University of Rochester Center for the Study and Prevention of Suicide/NIAAA Alcohol and Suicidal Behavior Workshop, Bethesda, MD, March 21-22, 2002.

“Substance use among emergency room patients: An exploratory analysis by ethnicity and acculturation,” American Public Health Association Annual Meeting, Atlanta, GA, October 22-25, 2001.

“A comparison of substance use among Mexican-American ER patients in the U.S. and Mexico,” Research Society on Alcoholism Annual Meeting, Montreal, Quebec, Canada, June 23-28, 2001.

“Drinking in the injury event: A comparison of Mexican-American male ER patients in the U.S. and in Mexico,” Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Toronto, Ontario, Canada, May 28-June 1, 2001.

“DUI recidivism: a comparison of Mexican Americans and whites in a northern California county.” Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Toronto, Canada, May 28-June 1, 2001.

“Identifying ED patients with alcohol problems: the problem,” Alcohol Problems Among Emergency Department Patients: Research on Identification and Intervention. Centers for Disease Control and Prevention, Arlington, VA, March 19-23, 2001.

“Screening for alcohol problems: a comparison of instrument performance among black emergency department and primary care patients.” American Public Health Association Annual Meeting, Boston, MA, November 12-16, 2000.

“Screening and early intervention approaches to alcohol problems.” Pacific Southeast Addiction Technology Transfer Center’s 29th Summer Clinical Institute, La Jolla, CA, August 7-10, 2000.

“Application of epidemiologic research techniques to alcohol problems in clinical settings.” Toward a Comprehensive Approach to International Alcohol Research Design and Dissemination Issues workshop. Co-sponsored by NIAAA, Japanese National Institute of Alcoholism, and the International Society for Biomedical Research on Alcoholism, Yokohama, Japan, July 2, 2000.

“Screening for alcohol problems: a comparison of instrument performance between the ER and the general population among Mexican Americans in the U.S. and Mexicans in Mexico.” Research Society on Alcoholism Annual Meeting, Denver, CO, June 24-29, 2000.

“Differences in services utilization between White and Mexican American DUI arrestees.” Research Society on Alcoholism Annual Meeting, Denver CO, June 24-29, 2000.

“Variables associated with DUI offender status among whites and Mexican Americans.” Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Oslo, Norway, June 5-9, 2000.

“The risk of injury after alcohol consumption: a case-crossover study in the emergency room.” Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Oslo, Norway, June 5-9, 2000.

“Effective screening for alcohol use disorders in the Emergency Room.” The expanding role of primary care in the prevention and treatment of alcohol-use disorders: Issues for research and policy, co-sponsored by NIAAA and the Agency for Health Care Research, Center for Primary Care Research, Rockville, MD, March 9-10, 2000.

“Screening for alcohol problems in clinical populations-the RAPS4.” Screening and Early Intervention Approaches to Alcohol Problems in Healthcare Settings. U.C. Berkeley Extension. Oakland, CA, September 17, 1999; Reseda, CA, September 24, 1999.

“Drinking patterns and problems: a comparison of two black primary care samples in two regions.” American Public Health Association Annual Meeting, Chicago, IL, November 7-11, 1999.

“Screening instruments for alcohol problems: a comparison of cut points between Mexican American and Mexican patients in the ER.” American Psychological Association Annual Meeting, Boston, MA, August 20-24, 1999.

“Performance of screening instruments for alcohol problems in the ER: a comparison of Mexican Americans and Mexicans in Mexico.” Research Society on Alcoholism Annual Meeting, Santa Barbara, CA, June 26 - July 1, 1999.

“Brief motivational interventions in the emergency department for adolescents and adults.” Research Society on Alcoholism Annual Meeting, Santa Barbara, CA, June 26-July 1, 1999.

“Emergency room and primary care services utilization and associated alcohol and drug use in the US general population.” College on Problems of Drug Dependence Annual Meeting, Acapulco, Mexico, June 12-17, 1999.

“Performance of screening instruments for identifying alcohol dependence in the general population compared to clinical populations.” American Public Health Association Annual Meeting, Washington, DC, November 15-19, 1998.

“Screening for alcohol problems in the U.S. general population: a comparison of the CAGE and TWEAK by gender, ethnicity and service utilization.” Research Society on Alcoholism Annual Meeting, Hilton Head, SC, June 20-25, 1998.

“Alcohol and injury: A comparison of ER populations in two Canadian provinces.” Alcohol Epidemiology Symposium of the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Florence, Italy, June 1-5, 1998.

“Drinking patterns and problems and drinking in the injury event: An analysis of ER patients by ethnicity.” Second International Conference of Social and Health Effects of Different Drinking Patterns, Perth, Australia, February 1-5, 1998.

“Comparison of screening instruments between blacks and whites in two emergency room populations from two regions of the country.” American Public Health Association Annual Meeting, Indianapolis, IN, November 9-13, 1997.

“Differences in performance of screening instruments among blacks, whites and hispanics in an emergency room population.” Research Society on Alcoholism Annual Meeting, San Francisco, CA, July 19-24, 1997.

“Gender and acculturation differences in performance of screening instruments for alcohol problems among U.S. hispanic emergency room patients.” Alcohol Epidemiology Symposium, Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Reykjavik, Iceland, June 2-6, 1997.
